

MS Word (basic) (code: Word-101)

compliant with: Learn Microsoft Word 2010 Step by Step, Level 1
(compliant with MS 50541)

Overview

This course is designed for novices who want to start their work with Word not in a random, haphazard manner, but rather use the best practices and time-saving methods from the very beginning. The course covers entering and editing text, lists, using styles, printing. Practical exercises accompany every topic covered during the course.

Microsoft Certificate: for an additional fee of **20 GBP** per person, we provide registration with Microsoft Authorized Training system. Training participant registered in this system receives a certificate recognized and respected anywhere in the world, and additional electronic training materials provided by Microsoft.

Genuine Microsoft certification not only confirms the holder's skills - it can also be a valuable part of a resume. **Important:** authorization is available for on-demand training courses only.
